

REGION OF WATERLOO SIGN BY-LAW 10-030 – ENFORCEMENT ADVISORY

An increasing number of illegal signs along Regional roads have led the Region to increase enforcement of its sign by-law to improve road safety and the appearance of Regional roads. Regional and municipal enforcement staff will be targeting small wire-mounted signs and other miscellaneous signs including but not limited to pole-mounted signs and mobile signs that do not meet the conditions of the by-law. Signs observed not complying with the Region's Sign By-law will be removed immediately without notice and a ticket may be issued. The owner of any such sign found replacing or permitting the replacement of any removed non-compliant sign, will be issued a ticket by an enforcement officer and the replacement sign removed.

Copies of the current Sign By-law 10-030 are available for review in the Clerk's Office, Region of Waterloo, 2nd Floor, 150 Frederick Street, Kitchener during normal office hours. Copies of the current by-law can also be obtained by visiting the Region of Waterloo website at www.regionofwaterloo.ca under the Regional Government / By-laws menu at the top of the home page.
