

Any food trucks (Refreshment Vehicle) wishing to participate in the Township of Wilmot must obtain a license and approval from Development Services.

As part of a complete application for a license, the following is required:

- I. **Completed Refreshment Vehicle application form** available at www.wilmot.ca/RefreshmentVehicles or by contacting Planning@wilmot.ca

- II. **Township of Wilmot Fire Department Approval**

An inspection of your vehicle may need to be scheduled unless you are currently a license holder in Kitchener, Waterloo or Cambridge. The following documents must be provided:

- TSSA gas inspection (Mobile Food Service Equipment Annual Inspection Certification)
- If commercial kitchen hood, Pre-Engineered Restaurant Fire Suppression Systems Report
- Contact Fire@wilmot.ca

- III. **Region of Waterloo Public Health Approval**

- Food Safety Inspection Report or written approval of your participation

- IV. **Payment (for License only)**

- Payment can be made online at www.wilmot.ca/RefreshmentVehicles

*** Please note that if you are operating as part of a Township special event, additional items may be required, such as liability insurance to operate as part of the special event.**
