DISCLAIMER

All the above service requests are associated with a fee, which was approved by Township Council in 2019. The requestor shall assume all maintenance and liability for any service (listed above) provided by the Township. For all drawings and plans provided, the position of pole lines, conduits, watermains, sewers and other underground and above-ground utilities and structures is not necessarily shown, AND where shown, the accuracy of the positions is not guaranteed. Before starting any work, the designer, contractor or homeowner is responsible to determine the exact locations of all such utilities and structures and shall assume all liability for damage to them. The Township accepts no responsibility for plans, reports, lot grading, documents, etc. produced by a private company, corporation, or agency.
