

**MECP Consolidated Linear Infrastructure
Environmental Compliance Approval Application**

Application Information:

Applicant Name	
Business Name (if different than applicant name)	
Contact Person	
Address	
Phone Number	
Email	

Developer Information (if different than applicant):

Developer Business Name	
Contact Person	
Address	
Phone	
Email	

Project Details

Subdivision name		Plan Reference	
Address (if applicable)			
Capital Project		Street Name	

Type of Project (Check all that apply):

- Sanitary Sewer
- Storm Sewer
- Stormwater Management Works
- Sanitary Pumping Station

Brief Project Description:

--

Source Protection/Drinking Water Threats

Is the proposed activity located or planned to be located in a vulnerable area identified in a local assessment report source protection plan under the Clean Water Act, 2006?

Yes No

Is the activity being applied for identified as a significant drinking water threat in the assessment report for a local source protection area?

Yes No

If the answer to either question is “Yes” a Source Protection Supplementary document is to be submitted, including mitigation measures if applicable.

Receiver of Discharge

Immediate Receiver Name:	
Sub-watershed Name:	

Have the works received approval from the Grand River Conservation Authority?

Yes No

Submission Requirements

MECP forms

<input type="checkbox"/>	Form A1 Record of Future Alteration Authorized for Equipment Discharging a Contaminant of Concern to the Atmosphere from a Municipal Sewage Collection System
<input type="checkbox"/>	Form SS1 Record of Future Alteration Authorized for Separate Sewers/Nominally Separate Sewers/Forcemains
<input type="checkbox"/>	Form SS2 Record of Future Alteration Authorized for Components of the Municipal Sewage Collection System
<input type="checkbox"/>	Form SW1 Record of Future Alteration Authorized for Storm Sewers/Ditches/Culverts
<input type="checkbox"/>	Form SW2 Record of Future Alteration Authorized for Stormwater Management Facilities
<input type="checkbox"/>	Form SW3 Record of Future Alteration Authorized for Third Pipe Collection Systems
	Supporting Documentation (as applicable):
<input type="checkbox"/>	Township of Wilmot Engineering Clearance Letter for CLI ECA Submission
<input type="checkbox"/>	Grand River Conservation Authority Approval Letter
<input type="checkbox"/>	Engineering Drawings (including but not limited to Removal Plans, Sediment and Erosion Control Plans, Grading Plans, Plan/Profile Drawings)
<input type="checkbox"/>	Storm Sewer Design Sheets and Drainage Plans
<input type="checkbox"/>	Sanitary Sewer Design Sheets and Drainage Plans
<input type="checkbox"/>	Stormwater Management Report, including inspection and testing plans
<input type="checkbox"/>	Sanitary Pumping Station Design Report, including inspection and testing plans
<input type="checkbox"/>	Geotechnical Report
