

TOWNSHIP OF WILMOT

BY-LAW NO. 2002-68

Being a By-law to Control and Regulate Signs in the Township of Wilmot

Section 1: Short Title

This by-law, and any amendments, may be cited as “The Sign By-law”.

Section 2: Definitions

In this by-law:

- 2.1 “Alteration” means any change to a sign structure or sign face excepting the changing of copy in compliance with this by-law or the replacement of identical parts for maintenance purposes.
- 2.2 “Awning” means a self-supporting, roof-like projection which projects horizontally from the building face or wall over a window or doorway, and is intended solely to prevent access of direct sunlight into the building through such windows or doorways.
- 2.3 “Building Line” means the required building line setback from any street for a structure or any required front yard or required sideyard abutting a street, all as set out in applicable Township zoning by-laws.
- 2.4 “Canopy” means a roof-like projection which projects horizontally from the building face or wall, extends across part or all of that building face or wall, and is intended to provide shelter, but shall not include an awning.
- 2.5 “Commercial Message” means any sign, wording, logo or other representation that, directly or indirectly, names, advertises or calls attention to a business, product, service or other commercial activity.
- 2.6 “Copy” means the wording and symbols on a sign.
- 2.7 “Corner Visibility Triangle” means a triangular area formed within a corner lot by the intersecting street lines or the projections thereof and a straight line connecting them 15.0 metres from their point of intersection. A corner lot is a lot situate at the intersection of, and abutting, two streets, or parts of the same street, the adjacent sides of which street or streets (or in the case of a curved corner, the tangents of which) contain an angle of not more than 135 degrees.
- 2.8 “Council” means the Council of the Corporation of the Township of Wilmot.
- 2.9 “Erected” means attached, altered, built, constructed, reconstructed, enlarged or moved.
- 2.10 “Frontage” means the length of a lot line extending along each legally accessible public street or public lane, and shall include lots separated from a street by land owned by the Township or the Regional Municipality of Waterloo or the Province of Ontario, which land is held by such public agency for future road widening purposes or as a 0.3m reserve.
- 2.11 “Grade” means the elevation of the ground directly beneath a sign.
- 2.12 “Lot” means a parcel of land which can be legally conveyed pursuant to Section 50 of the Planning Act, R.S.O. 1990, as amended.
- 2.13 “Lot Line” means the line formed by the boundary of any lot.
- 2.14 “Maintain” means to repair or refurbish a sign or sign structure.
- 2.15 “Ontario Building Code” means the Building Code Act (Ontario) and Regulations thereunder, as amended.
- 2.16 “Parapet” means that portion of the wall of a building that rises above the level of the roof.

- 2.17 "Person" shall include any association, partnership, corporation, municipal corporation, agent or trustee, and the heirs, executors or other legal representatives of a person to whom the context can apply according to law.
- 2.18 "Plaque" means a commemorative or identifying inscribed tablet.
- 2.19 "Plaza Complex" means a group of business establishments, which is planned, developed, managed and/or operated as a unit with shared on-site parking and containing three or more separated spaces for lease and/or occupancy.
- 2.20 "Premises" means any property occupied by the business or use to which the sign copy refers.
- 2.21 "Region" means the Regional Municipality of Waterloo.
- 2.22 "Sign" means any identification, description, illustration or device which directs attention to, or advertises, any person, business, commodity, service or use. A sign shall be considered a structure for the purpose of this by-law. Without limiting the generality of the foregoing, the definition of a sign includes, but is not limited to, the following types of signs:
- (a) "Abandoned Sign" means any sign which no longer correctly identifies the business, commodity, service or use presently conducted, sold or offered on the lot. A sign shall not be deemed abandoned until ninety (90) days after such activity is discontinued.
 - (b) "Accessory Sign" means a sign in which the copy relates to the lot upon which the sign is located.
 - (c) "Address Sign" means a fascia or ground sign upon which the maximum of 0.2 square metres contains no commercial message, and is intended solely to indicate a municipal street address and/or name of a private residence.
 - (d) "Automatic Changing Copy Sign" means a sign upon which different copy is shown on the same lamp bank.
 - (e) "Awning Sign" means a non-illuminated sign painted on or affixed flat to the surface of an awning, which does not extend vertically or horizontally beyond the limits of such awning, and is used solely for the purpose of identification of the business or use and contains no other commercial message.
 - (f) "Billboard Sign" means a sign advertising a business idea not required to be located on the same lot as the sign is located, and shall include poster panels or other similar surfaces to which temporary sign copy may be attached.
 - (g) "Campaign Sign" means a sign used to advertise any person or political party participating in an election for public office.
 - (h) "Canopy Sign" means a sign attached to, or constructed upon, a canopy.
 - (i) "Clearance Sign" means a sign which has a maximum area of 0.4 square metres, and is used solely to advise approaching traffic of imminent height restrictions, and contains no commercial message.
 - (j) "Construction/Development Promotional Sign" means a sign advertising construction, reconstruction, repair, renovation and/or development and may include the name of the project, the name and address of contractors, architects, engineers, information and personnel related to the project, and shall be removed upon completion of the project.
 - (k) "Fascia Sign" means a sign attached to or erected against a wall of a building with the face horizontally parallel to the building wall.
 - (l) "Farm Produce Sign" means a sign used to advertise products which are grown, raised or produced on the site as a result of a farming activity.
 - (m) "Flashing Sign" means a sign which contains an intermittent or flashing light source, or which includes the illusion of intermittent or flashing light by means of illumination or an externally mounted light source, but shall not include automatic changing copy signs.

- (n) "Ground Sign" means a free standing sign which is affixed to or erected on the ground, but shall not mean or include a pylon sign.
 - (o) "Illuminated Sign" means a sign illuminated by any artificial light source.
 - (p) "Incidental Sign" means a sign, generally informational, that has a purpose secondary to the use of the lot on which it is located, such as "telephone", "private parking", "entrance", "washroom", "loading dock", "staff only", and other similar directives. No sign with a commercial message legible from a position off the lot shall be considered incidental.
 - (q) "Inflatable Sign" means a sign designed to be airborne and tethered to the ground or another structure, and shall include balloons.
 - (r) "Non-accessory Sign" means a sign on which the copy does not relate to the lot upon which the sign is located. Non-accessory signs are third-party signs.
 - (s) "Plaza Identification Sign" means a sign used primarily to identify a plaza complex by name or address, but which may contain a changeable copy panel.
 - (t) "Portable Sign" means a sign which is designed or intended to be moved from one location to another and is not permanently constructed at one place on the ground or permanently attached to any building or structure.
 - (u) "Progressive Sign" means any two or more signs used in a series to convey a cohesive message.
 - (v) "Projecting Sign" means a sign attached to a wall, whose copy surface is not parallel to that wall.
 - (w) "Pylon (Pole) Sign" means a free-standing sign, affixed to or erected on the ground, and which has its sign face(s) at least 2.4m above finished grade.
 - (x) "Real Estate Sign" means a sign advertising the sale, rental or leasing of a premises.
 - (y) "Roof Sign" means a sign erected upon, or displayed from, against or directly above a roof.
 - (z) "Rotating Sign" means a sign or portion of a sign which is moved mechanically in a revolving or similar manner, but shall not include motionography or other multiple-prism signs or wind-driven signs.
 - (aa) "Sidewalk Sign" means a free-standing sign which is not fixed to the ground or another structure.
- 2.23 "Sign Area" means the smallest square, circle, rectangle, triangle, or combination thereof, that will encompass the extreme limits of the largest silhouette or a sign face visible at any one time, and shall include any writing, representation, emblem, or other display, together with any material or colour forming an integral part of the background of the display or used to differentiate the sign from the backdrop or structure against which it is placed, but not including any supporting framework or bracing.
- 2.24 "Sign Clearance" means the vertical distance from finished grade directly below the sign to the bottom of the lowest attached component of the sign, exclusive of any supporting structure.
- 2.25 "Sign Face" means that portion of the sign, excluding the supporting structure, where copy can be placed.
- 2.26 "Sign Height" means the vertical distance from the base of the sign at finished grade to the top of the highest attached component of the sign.
- 2.27 "Sign Structure" means a structure which is intended to support, or be capable of supporting, any sign, and which in turn is supported by the ground, a building or a structure which is not an integral part of the sign.
- 2.28 "Street" means the road allowance or the right-of-way of a public road or highway, which affords principal means of access to adjacent lots.
- 2.29 "Township" means the Corporation of the Township of Wilmot.

- 2.30 "Zone" means those specific land use areas which relate to the zoning by-laws for the Township and those specifically defined areas identified by this by-law.
- 2.31 "Zoning By-law" means the zoning by-laws of the Corporation of the Township of Wilmot.

Section 3: Interpretation

- 3.1 In this by-law reference to singular shall include plural, and reference to masculine shall include feminine. The converse shall apply.
- 3.2 In this by-law the word "shall" is to be construed as being always mandatory and not directory.

Section 4: Application

- 4.1 No person shall erect, display, alter, cause or permit to be erected, displayed or altered any sign in the Township of Wilmot without a permit.
- 4.2 Maintenance and repair of a sign or a change in the message displayed shall not in itself be deemed to constitute an alteration provided such maintenance, repair or change in message continues to comply with this by-law.
- 4.3 Signs that are not specifically permitted in this by-law are prohibited.
- 4.4 Every sign shall be maintained at all times in a safe condition and free from any defect.
- 4.5 This by-law shall not apply to:
- (a) Signs within an enclosed structure.
 - (b) Signs installed by or on behalf of the Township, the Region, the Province of Ontario, or the Government of Canada for the purpose of regulating parking or traffic.
 - (c) Signs installed by or on behalf of the Township or the Region for the purpose of informing the public about applications pursuant to the Planning Act or the Municipal Act.
 - (d) Plaques placed by historical agencies of the Township, the Region, the Province of Ontario or the Government of Canada.
 - (e) Election proclamations or notices under any Election Act or any voters list under a statute in that behalf.
 - (f) Signs placed by the Township, Region or Public Utility Commissions used to identify utility plants.
- 4.6 Public Use

Notwithstanding anything else in this by-law, the Township, Region, Public Utility Commissions, School Boards, Province of Ontario or Government of Canada (excluding crown corporations) may, for public service purposes, erect or use any type of sign permitted by this by-law in any zone, subject to the sign being in compliance with the regulations prescribed for such type.

4.7 Non-Conforming Signs

- (a) Any sign that is lawfully erected or displayed on the day this by-law comes into force, but does not comply with any provisions of this by-law, shall not be removed or made to comply with this by-law so long as the sign is not altered in any way. The maintenance and repair of the said sign or a change in the message displayed shall not be deemed to constitute an alteration.
- (b) Any sign erected or displayed after the day this by-law comes into force and which does not comply in all respects with the provisions of this by-law shall be made to comply with the by-law or removed by the owner thereof or by the owner of the land on which it is situated. If the owner does not remove the sign upon written notification of the Township, said sign may be removed at the owner's expense and the Township may recover the expense in like manner as municipal taxes pursuant to the provisions of the Municipal Act.

Section 5: General Regulations

- 5.1 Signs shall not be erected or displayed upon any property without the consent of the owner.
- 5.2 Signs shall not be placed on or project over Township property, including road allowances, without the consent of the Council of the Township of Wilmot.
- 5.3 Except where permitted by this By-law, signs shall not be attached to or painted onto, a fence or board, tree, post or pole, or any structure when visible from the street.
- 5.4 Signs shall not:
- (a) Obstruct pedestrian or vehicular traffic.
 - (b) Obscure clear visibility of normal approaching pedestrian or vehicular traffic.
 - (c) Be erected or displayed so as to be, by nature of the colour, shape or location thereof, confused with any traffic control sign, signal, or device, or obscure the visibility or effectiveness of a traffic control sign, signal or device.
- 5.5 Unless otherwise noted in this By-law, signs may be luminous or illuminated. Lights used to illuminate a sign shall be arranged to direct light away from adjacent premises and streets.
- 5.6 All electrical signs shall comply with the regulations of Ontario Hydro. Electrical wires accessory to signs are prohibited on parking lots, driveways and walkways.
- 5.7 All signs and sign structures shall comply with the requirements as set out in the Ontario Building Code.
- 5.8 Signs shall not be erected or displayed in such a manner as to contact or interfere with any municipal street lamp, power or telephone wires or their supports.
- 5.9 Signs shall not be erected or displayed in such a manner as to interfere with the free use of any fire escape, exit, hydrant or reservoir.
- 5.10 Signs in the controlled area of the Ministry of Transportation shall require the approval of the Ministry of Transportation of Ontario.
- 5.11 Signs within 5.0 metres of any electrical or transmission line shall require the approval of Kitchener-Wilmot Hydro and/or Ontario Hydro.
- 5.12 Signs within 3.0 metres of any fire alarm, telephone, telegraph or other transmission line shall require the approval of the authority having jurisdiction over the same.
- 5.13 Signs Prohibited in All Zones
- Except as otherwise permitted in this By-law, the following signs are prohibited in all zones:

- 20.2 The maximum extension above the roof of a building shall be 1.0 metre for each storey with a 2.4 metre maximum.
- 20.3 Roof signs shall not extend beyond the perimeter of the building and the supporting structures of roof signs shall be screened.
- 20.4 The maximum area shall be 0.2 square metres for each 1.0 square metre of building wall area facing the street, but in no case greater than 10.0 square metres.

SECTION 21: Sidewalk Signs - Regulations

Unless otherwise provided in this By-law, sidewalk signs shall be erected in accordance with the following:

- 21.1 A maximum of one (1) sidewalk sign is permitted for any one (1) business / occupancy.
- 21.2 The maximum height shall be 1.2 metres, except when a sign is located in the corner visibility triangle where the maximum height shall be 0.75 metres.
- 21.3 The maximum width shall be 1.0 metre.
- 21.4 Sidewalk signs shall not be illuminated.
- 21.5 Sidewalk signs shall be taken inside when the business is not open.
- 21.6 Sidewalk signs shall be located on the same premises as the business or use to which the sign is accessory, whenever possible. Where it is impossible to locate the sign on the premises, the sign may be placed on a Township sidewalk provided that:
 - (a) The sign shall not be closer than 0.3 metres to the traveled portion of the street.
 - (b) A minimum unobstructed sidewalk width of 1.2 metres can be maintained.
 - (c) Signs located on Township sidewalks do not need approval but must be located in accordance with the by-law and/or removed if requested by the Director of Development Services or designate.

SECTION 22: Directional Signs – Regulations

Unless otherwise provided in this By-law, directional signs shall be erected in accordance with the following:

- 22.1 One (1) directional sign shall be permitted at each point of entrance or exit on a parking lot and, in addition, other directional signs as required to direct traffic may be permitted.
- 22.2 The maximum height shall be 2.4 metres.
- 22.3 The maximum area shall be 0.75 square metres in total and may bear the name of the business which owns and operates the parking lot.

SECTION 23: Permits and Fees

- 23.1 The following signs shall require a sign permit:
 - (a) Billboard signs.
 - (b) Portable signs.
 - (c) Any sign erected ahead of the building line, except the following:
 - (i) Address signs.
 - (ii) Awning signs.
 - (iii) Campaign signs.
 - (iv) Directional signs.
 - (v) Incidental signs.
 - (vi) Real estate signs, in accordance with Section 5.15 (f), advertising sale, lease or rental of a property or premises, or announcing an Open House.
 - (vii) Sidewalk signs.
 - (viii) Farm produce signs.
- 23.2 All sign permits within the New Hamburg Heritage Conservation District shall be reviewed by the Heritage Wilmot.
- 23.3 Signs requiring a building permit, save and except a billboard sign, shall not require a sign permit.
- 23.4 There shall be a fee payable for any permit required by this by-law, which shall be in an amount prescribed by Council from time to time as contained within Schedule 'B' to this By-law.
- 23.5 Any fee required to be paid by Clause 23.4 and contained within Schedule 'B' to this By-law shall be waived for charitable organizations and/or groups promoting local events.

23.6 Structural Requirements

- (a) The Chief Building Official may require proof of structural adequacy of the sign or supporting building where, in his opinion, such is necessary.
- (b) No sign, advertising device or canopy shall be attached or displayed in or upon the sidewalk but shall be securely attached to a building or other satisfactory support and it shall be the duty of the owner of the sign to ensure that the same is securely attached to the support and so maintained.
- (c) It shall be the responsibility of the owner of the sign to ensure that any sign erected or structurally altered in accordance with the Building Code, Canadian Standards, and any other applicable regulations. Notwithstanding the generality of the foregoing this shall include:
 - (i) It shall be the responsibility of the owner of the sign to ensure that any building, parapet, wall or other structure, or any part thereof, is adequate to support the sign without reducing the safety factors for all loads to which it may be subjected, including those loads resulting from or caused by the erection of the sign, wind and snow, and is fully capable of safely transferring said loads through its structural members to soil having adequate load-carrying or load-restricting capacity.
 - (ii) Materials subject to wind forces used in the construction of signs shall be of sufficient strength and shall be installed to withstand a designed external pressure as prescribed by law.
 - (iii) Materials subject to thermal forces shall be installed so that their expansion and contraction over the temperature range to which the material is likely to be subjected will not dislodge material from its assigned position.
 - (iv) Plastic materials used in the construction of sign faces shall comply with the Ontario Building Code.
 - (v) No sign, illuminated or operated electrically, shall be erected, maintained or altered, unless such electrical work is in conformity with the Canadian Electrical Code and Ontario Hydro regulations and shall be equipped with such devices as are necessary in order that the sign shall not interfere with radio or television reception.
- (d) A sign shall be constructed and erected so that all structural design assumptions used or applicable in its design are valid after completion of the construction and erection of the sign, for the life of the sign.

23.7 Revocation of Permits

In addition to situations mentioned elsewhere in this By-law, the Chief Building Official is hereby authorized and empowered to revoke any permits issued by the Township when:

- (a) The sign does not comply with the provisions of this By-law, and
- (b) When the sign permit has been issued on the basis of inaccurate and/or omitted information.

SECTION 24: Minor Variances

- 24.1 Council may, upon application of any person, authorize minor variances from the provisions of this by-law provided that in the opinion of Council the general intent and purpose of the by-law is maintained.
- 24.2 Council may recommend that an application be refused or that such relief as the Council considers appropriate be granted, either absolutely or subject to conditions.

SECTION 25: Maintenance and Removal of Signs

25.1 Maintenance of Signs

Every sign in the Township shall be maintained in good structural condition at all times. All signs shall be kept clean and neatly painted, including all metal parts and supports.

25.2 Removal of Dangerous Signs

If in the opinion of the Chief Building Official any sign is in such a state so as to constitute an unsafe condition, he shall take immediate action pursuant to the Ontario Building Code.

25.3 Repair or Removal of Defective and Non-Conforming Signs

If any sign does not conform in any respect with the provisions of this By-law, or any other By-law or code applicable thereto, or if any sign is, in his opinion, in a defective condition, the By-law Enforcement Officer may give written notice to the owner thereof. Such notice shall require the repair or removal of the sign within a period of time not exceeding fourteen (14) days. It shall be the duty of such owner to repair or remove the sign in accordance with the notice given.

25.4 Removal of Abandoned Signs

Except where otherwise specifically provided, no person shall display any sign, the copy of which does not clearly relate to an activity presently conducted, or product or services presently available on the lot where the sign is displayed.

25.5 Removal of Campaign and Real Estate Signs

(a) Campaign signs which are installed on any property shall be removed within seven (7) days of the termination of the event for which the signs are erected, by the owner of such signs or the owner of the property on which the signs are erected, failing which the By-law Enforcement Officer may have such signs removed.

(b) Real estate signs and construction/development and promotional signs which are installed on any property shall be removed within 14 days of the termination of the event for which the signs are erected, by the owner of such signs or the owner of the property on which the signs are erected, failing which the By-law Enforcement Officer may have such signs removed.

25.6 Cost of Removal and Maintenance

The cost of removal, repair, transportation and storage of any sign referred to in Section 25.2, when certified by the Chief Building Official, may be recoverable from the owner by the Township in like manner as municipal taxes, pursuant to the provisions of the Municipal Act.

SECTION 26: Administration and Enforcement

26.1 The Director of Development Services shall be responsible for the administration of this By-law.

26.2 This By-law may be enforced by a Municipal Law Enforcement Officer or a Police Officer.

26.3 If any section or sections of this By-law or parts of it are found by any Court to be illegal or beyond the power of Council to enact, such section or sections or parts of it shall be deemed to be severable and all other sections or parts of this By-law shall be deemed to be separate and independent and shall continue in full force.

26.4 By-law 2002-35 is hereby repealed.

26.5 This By-law comes into force on the date of its final passage.

SECTION 27: Penalty

Every person who contravenes any provisions of this By-law is guilty of an offence and is liable, upon conviction, to a fine not exceeding five thousand (\$5,000.00) dollars, for each offence, recoverable under the Provincial Offences Act, R.S.O. 1990, Chapter P.33.
