

Pool Permit – Infrastructure Services Waiver Form

For Office Use Only Permit No.

Through the installation of inground pools, contractors often request to store material/equipment on Township property and occasionally need to gain access to a property by driving over curbs, boulevard grass or other Township Infrastructure. If you require any of the above, please contact engineering@wilmot.ca to obtain a right of way work permit. Otherwise, please complete this form and submit it with your pool permit, stating that you will not require a right of way work permit for the purpose of your work.

2. Terms and Conditions

This form serves as an acknowledgement that during the installation of any pool at the property listed in section 3, neither the contractor nor the homeowner will:

- Store any material or equipment within the Township right of way
- Only access the property with equipment through the depressed curb in the driveway apron and will not be crossing over the curb, boulevard grass or any other Township infrastructure.
- Only occupy legal parking spaces on the roadway.

If any of the above cannot be adhered to, then the applicant will need to apply for a Right of Way – Work Permit.

By Signing this form you are agreeing to adhere to the conditions above. Any breach of the conditions above will require the applicant to obtain a Right of Way – Work Permit at two times the permit cost.

**Please note: Any damage to township infrastructure during the construction activities related to this work will be the sole responsibility of the applicant to restore to Township standards at their cost.*
