

Create your own Water Safety Poster

Create your own poster on construction paper, white paper or bristle board! Use your choice of markers, crayons, pencil crayons, print outs or clippings from a new paper or magazine.

- Pick a main topic for your poster! Remember this should be big clear writing.
- A main picture to support your topic
- Other smaller messages and pictures are optional

Once you have your topic, remember to look up facts to support your message.

Topic Ideas or suggestions:

- Always swim with a buddy
- Check for hazards
- Lifejackets/PFDs
- Boating safety
- Sun safety
- Always swim where there is a lifeguard
- Dangers of swimming
- Beach safety
- Backyard pool safety
- Lake or river safety
- Fishing safety
- Don't swim in a storm
- Don't swim in the dark
- Any other creative idea you can come up with

If you would like your poster show case in the on-line gallery, you can take pictures and email your posters to kristy.falk@wilmot.ca. Please remember to include a photo release. You can also save your poster and drop-it off at WRC when the facility opens back up for posting (please only write first names on the front of your poster, if you would like your poster returned please write first, last name and phone number on the back of the poster).
