ACTIVITIES, RULES AND EXPLANATIONS	SUPPLIES
<p><b>All competitions will be completed as a team</b></p> <p><b>Team Competition</b> – In this style, you'll split your group into two (or 3 or 10 depending on the number of guests) teams. For each game, teams must choose one player to compete head to head in the game with the other teams. So for instance, each team will be given a bottle and the first team to finish will receive 10 points, the second team will receive 5, etc. This works best if you have quite a few people and is a good way to get everyone involved cheering for their team. If you have a lot of people but not a lot of space, try heats where Team A competes against Team B, Team C competes against Team D, and then the winners of the two heats plays against each other for the points.</p>	
<p><b>#1 – Feed the Abominable Snowman</b></p> <p>Tape a picture of an abominable snowman to the front of 2-liter Coca-Cola bottle that's been filled with water. Players have a minute to try and toss plain M&amp;M'S® Chocolate Candies into the Coca-Cola bottle to feed the abominable snowman candy.</p>	<ul style="list-style-type: none"> <li>- 2L pop bottle</li> <li>- Print out of abominable snowman</li> <li>- Smarties</li> </ul>
