

## Nature Art Mural Activity Plan

ACTIVITIES, RULES AND EXPLANATIONS	SUPPLIES
<p>Collecting Materials:</p> <ul style="list-style-type: none"> <li>- Take a visit outside to a walk through park or trail to find your nature objects that have a cool outline (cool leaves, interestingly shaped branches, etc.)</li> <li>- Make sure all items are being found on the ground – respect nature</li> <li>- Return home safely with the respected nature items</li> </ul>	
<p>Creating the mural:</p> <ul style="list-style-type: none"> <li>- Fill spray bottles with water and food colouring</li> <li>- Lay out an old white sheet</li> <li>- Place the collected nature materials the sheet so that there are still some spaces left that are not covered</li> <li>- Make sure everyone is working together to make a fun design</li> <li>- When they have finished their design, take turns using the spray bottles to “paint” the sheet</li> <li>-</li> </ul>	<ul style="list-style-type: none"> <li>- White sheet</li> <li>- Spray bottles</li> <li>- Food colouring</li> <li>- Water</li> </ul>
<p>Letting it Dry:</p> <ul style="list-style-type: none"> <li>- By either placing rocks in the corners or something heavy so the mural can dry (ensure to secure it down so it doesn’t move or blow away)</li> <li>- Once dry, remove the objects from nature and enjoy your creation 😊</li> </ul>
