

Stage Basics and Cues Camp Activity Plan

ACTIVITIES, RULES AND EXPLANATIONS	SUPPLIES
<p>Positions on the stage:</p> <ul style="list-style-type: none"> - Teach campers about different areas on the stage (stage left, stage right, centre stage, etc.) <div style="text-align: center;">  </div> <ul style="list-style-type: none"> - Test the camper's knowledge by having a leader move to different areas on the stage and have the campers tell them where they are 	
<p>Stage Position Game:</p> <ul style="list-style-type: none"> - One camper will be the leader and will walk along the stage in the different areas of the stage (they have to remember this so have a camp leader write it down) - Each camper in line will have to repeat the pattern of movement that the leader did (restart if they mess up) - Each camper will be given a chance to be the leader <p>*Make a maximum of 5 different positions for the campers to go to. They can start their movement from any area of the stage.</p>
