In addition, your legal liability for injury to participants is covered in most cases (a few sports disciplines may not be eligible).

COMMERCIAL GENERAL LIABILITY

This Policy covers your legal liability for bodily injury to or damage to property of others such as spectators, passers-by, property owners and others resulting from your activity. In addition, your legal liability for injury to participants is covered. (*A few sports disciplines may not be eligible see exclusions*). User Groups are only covered while using the Township of Wilmot facilities.

All Claims Subject to a \$500 deductible

IMPORTANT NOTICE:

Effective 2020 Game Day insurance specifically excludes against all losses, illness and claims pertaining to communicable diseases including COVID. It is recommended that the permit holder have all attendees sign a waiver holding the permit holder harmless.

Rental Rules & Regulations

- The renter or designate is responsible for inspecting the sport field prior to each use to ensure it is safe for use and take necessary steps to make a safe playing area if found unsuitable (i.e., remove broken glass). If the condition remains unsuitable for safe play and cannot be rectified, the permit holder/group must not play on the sport field and is required to report the field condition to the facility scheduler the next business day.
- Games are not permitted to go into extra time past their rental time, as others could be scheduled after. Renter will be subject to additional fees should the field not be vacated by rental end time and causing the next group to delay.
- Groups are required to clean up all waste (water bottle, food wrappers, etc.) from all player areas (player benches, fields, field goals, spectator bench) at the end of the rental. Failure to leave the facility in the condition it was found could result in staff cleanup fees being charged back to group/renter.
- Sunflower seed shells, orange peels and other organic waste must be collected and taken home for disposal or deposited in the facility waste receptacles.
- Group is responsible for being adequately equipped with their own first aid supplies. Contaminated or potential contaminated items (masks, athletic tape, sweat bands, mouth guards, medical gauze, bandages, adhesive bandages, clothing, etc.) must be collected and take home and not deposited in public garbage cans.

PURPOSE

The development of this procedure ensures a proactive approach to maintaining infield and turf integrity of the Township of Wilmot's outdoor sports facilities resulting from interfering natural or uncontrollable factors. (e.g., inclement weather). Prompt recognition of the potential for damage resulting from aggressive use under poor field conditions will reduce the need for costly and disruptive short- or long-term field closures needed to accommodate revitalization.

This procedure also recognizes the increased potential for participant injury resulting from play on fields or diamonds impacted by poor field/infield conditions. This procedure provides for early detection of such conditions, and mandates restricted participant use in an effort to prevent injury.

PROTOCOL

Sport field conditions are assessed by Township staff on a daily basis. The decision to delay and/or cancel the use of the sports fields as a result of a previous, current and/or prolonged period of inclement weather will be made no later than 4:00 pm on weekdays. Facility Schedulers will be responsible to notify sports field user groups of the delay and/or cancellation. Notification of delays and/or cancellations made after 4:00 pm, Monday to Friday or on weekends will be provided by Facility Maintenance Staff.

Due to inconsistent usage of sports fields on weekends, decisions to delay and/or cancel usage of a sports field will be made on an as needed basis. Staff will make every effort to notify weekend users of a delay and/or cancellation at least two hours prior to usage.

Cancellation and delay at the sole discretion of the Township of Wilmot staff

The temporary cancellation, or imposed delay, of any rental program on any Township maintained field and/or diamond as a result of a previous, current and/or prolonged period of inclement weather is at the sole discretion of **authorized staff of the Township of Wilmot**. Officials residing over the activity (umpires, referees, conveners) must abide by the decision of the staff under any circumstances. In the event of cancellation, Township staff will document accordingly and notify Recreation Schedulers to make any appropriate fee adjustments.

Considerations for delays and/or cancellations

Programming will be delayed or cancelled when turf and infield surfaces show signs of saturation, including standing water, sponginess and water being drawn to the surface when aggravated, due to prolonged periods of rain prior to, or during a rental. Staff will also consider the forecast for the remainder of the rental period in determining the extent of the cancellation or delay. Delays and cancellations will also be considered when a temporary and immediate unsolvable physical condition exists in which staff is in the opinion that a risk to players is imminent, or field integrity will be severely jeopardized with use.

Duration of imposed delays

Delays will remain in effect for as long as it takes for inclement weather conditions to cease, and field conditions improve to where Township staff is satisfied that play on that particular field or diamond can commence without risk of participant injury, or the contribution of significant field damage is reduced.

Duration of Cancellations

Where conditions exist, and staff have made their assessment to cancel, unless otherwise indicated, a cancellation will extend for the full allotted time period, or any remaining time of the allocated rental.

Communication of Cancellations, Status of Delays

Township of Wilmot staff will advise the initial league contact person by email of all advance cancellations and delays no later than 4:30 pm Monday to Friday based on current and anticipated field and weather conditions. Notification of delays and/or cancellations made after 4:00 pm, Monday to Friday or on weekends will be provided by Facility Maintenance Staff.

Due to the inconsistency of sports field usage on weekends, notification of cancellations/delays will be made on an as needed basis. Every effort will be made to notify weekend users of a delay and/or cancellation at least two hours prior to usage.

Group responsibilities under cancellation / delay situations

It is the responsibility of the league contact person to ensure that all officials and coaches receive timely notification of the cancellation/delay. The Township of Wilmot will not accept failure to communicate as an excuse for non-compliance by coaches and officials, nor will it be held responsible for any inconveniences created by communicated cancellations and/or delays.

The league representative or designate will be responsible for communicating the terms of this procedure to all staff, including coaches, and officials in a timely manner.

Compliance of cancellation / delay orders

It is expected that all patrons, players and officials occupying a specific field for a rental respect the decisions of Township of Wilmot staff and refrain from use of the facility for the period of the cancellation.

On review of reported instances of user groups failing to comply to a cancellation or delay order, the Township of Wilmot reserves the right to cancel the rental agreement in its entirety without refund.

Users will not be charged for the duration of the cancellation or delay if such are respected as deemed by staff.
