

WILMOT TRAILS
SCHMIDT WOODS

SCHMIDT WOODS RULES

- Open only during daylight hours
- No ATV's, Dirt Bikes or other Motorized vehicles
- Snowmobiles only permitted in designated areas shown on map (when snowmobile trail open and with an OFSC trail permit)
- No Hunting or Target Shooting
- No Fires
- No Horses
- Stay on marked trails
- Dogs must be on leash

KEEP ON TRACK

Please stay on the multi-use trail or marked hiking trail. Hiking trails are accessed off the multi-use trail and are marked by coloured blazes. The blazes are painted indicators, 5cm x 15cm rectangles. You will find the markings on trees and other noticeable features trail-side. Typically the blazes are on the right side as you travel along the path. A single blaze indicates the trail continues straight ahead. Double blazes indicate a directional change of the trail. On double blazes it is the upper marker that indicates the direction to follow.
