Compliance Report – Review of Contributions by Clerk

Section 88.34 (1) of the Municipal Elections Act, 1996 (the "Act") requires the Clerk to review and report on the contributions reported on the financial statements submitted by a candidate under section 88.25 of the Act to determine whether any contributor appears to have exceeded any of the contribution limits under section 88.9 of the Act.

Based on the information provided in the Financial Statements filed for Candidates running for Office in the Township of Wilmot, there appears to be no contraventions to the maximum contributions a contributor can make to one candidate or to two or more candidates for office on the same Council.

Sincerely,

Dawn Mittelholtz

Director of Clerk's Services / Municipal Clerk
