	Section: <b>Health and Safety</b> <b>Township Facilities Vaccination Guideline</b>	
	<b>CG # OHS-055.2</b>	<b>Page 1 of 4</b>
Revision Date:	Issue Date: September 2021	
Approved by: Corporate Leadership Team	Review Date: June 2022	

**PURPOSE**

The purpose of this guideline is to promote a safe, healthy, respectful, and positive environment for members of the public, volunteers, and staff.

Included in this commitment is an understanding that organizations using Township facilities must take primary responsibility for managing the behavior of all associated participants, volunteers, officials, spectators, patrons, parents, guests, and the general public.

The Province of Ontario requires all organizations using Township facilities to develop and implement their own Safe Return to Sport policies and/or protocols which will help support the Township policy.

---

**SCOPE**

This guideline applies to settings where patrons must be fully vaccinated including:

- Indoor areas where spectators watch sporting events
- Indoor areas of facilities for sport and recreational fitness activities
- Indoor areas of meeting and event spaces (e.g., banquet halls)

This guideline applies to all persons, excepting any noted exclusions per this guideline (residents, non-residents, volunteers, tenants, and staff) who access Township facilities.

This guideline is intended to align with:

- Reopening Ontario (A Flexible Response to COVID-19) Act, 2020, ONTARIO REGULATION 364/20 formerly under Emergency Management and Civil Protection Act, August 24, 2021;
- O. Reg 645/21 Rules for Areas at Step 3 and at the Roadmap Exit;
- Corporate Health and Safety Statement, and
- Corporate Guideline on Violence and Harassment (OHS-043).

---

**DEFINITIONS**

**Fully Vaccinated** – means:

- having the full series of a COVID-19 vaccine authorized by Health Canada, or any combination of such vaccines,
- one or two doses of a COVID-19 vaccine not authorized by Health Canada, followed by one dose of a COVID-19 mRNA vaccine authorized by Health Canada, or
- three doses of a COVID-19 vaccine not authorized by Health Canada.
- they received their final dose of COVID-19 vaccine at least 14 days before providing the proof of being fully vaccinated.

---

**Medical Exemption** – means persons qualifying for a medical exemption as per O-Reg 645/21 and who provides a medical note from a doctor or nurse practitioner.

**Patrons** – are defined as players, participants, coaching staff, team staff, parent/guardian supervisors, spectators, volunteers, and officials.

**Township Facility** - includes indoor recreation and cultural facilities, owned, rented, allocated, programmed, operated, or managed by the Township, intended for public use.

---

## STANDARDS AND PROCEDURES
