

Decision Number: MDE-2025-14

Date: October 21, 2025

Purpose: Section 284.6(2) Employment matters

In accordance with Part VI.1 (Special Powers and Duties of Head of Council) of the Municipal Act, 2001, Section 284.6(2) Employment matters I am exercising my authority to appoint KMPG to assist the Township of Wilmot in the preparation of the 2025 municipal budget and the development of a long-term financial plan.

The engagement of KPMG provides the professional capacity and independent expertise necessary to produce an accurate and sustainable budget following a period of transition within the Township's financial services department.

Importantly, this engagement does not result in additional costs to taxpayers. The costs associated with this work will be funded from within the approved 2025 operating budget through savings generated by staff vacancies throughout the year. By reallocating existing funds, the Township is able to strengthen its financial foundation without increasing expenditures or impacting tax rates.

This decision reflects a commitment to fiscal responsibility, transparency, and long-term sustainability. It will support the creation of a credible and balanced 2025 budget, rebuild trust in the Township's financial management, and establish a clear financial roadmap for the years ahead.
